PART B - Nominee (Student) Form

Congratulations, you have been invited to submit a detailed Nominee Form because a teacher, employer, trainer or another person connected with your training believes you to be worthy of an Applied Learning Award. Please look at the front page to see which award you have been nominated for.

Awards will be given to outstanding students in VETiS and SBAT industry areas and in each of the VCAL strands. Winners will receive an award and all nominees will receive a certificate. An '**Applied Learning Student of the Year Award**' will also be given to the student who is an outstanding applied learner and who also demonstrates outstanding community participation and leadership. This winner will receive a significant **\$1500 financial scholarship** from the Highett Community Bank which can be used to fund/support further education, training or employment.

Please respond to the following questions with as much detail as possible, as the judges will look at these responses when making their award decisions. When answering questions, make sure they relate to the award you have been nominated for (eg. if you have been nominated for a VETiS Award you should answer your questions with that VETiS Certificate in mind). This form can be hand written or typed (although typed is preferred, if possible).

When you have completed this form show it to your VET, VCAL or Careers Coordinator who will endorse it and send it to the Awards organisers.
