

# DARE2B 2016 YOUTH CONFERENCE

## Exhibitor Invitation

### WHITELION – YOUTH CONNECT

Whitelion is a non-profit community organisation that supports and empowers young people at risk to reach their full potential.

In 2016 Youth Connect merged with Whitelion to ensure the continuation of programs that address risk factors including unemployment and school-disengagement. Through intervention services including support for vocational pathways and preventative programs in schools, the combined suite of programs aims to support greater youth independence with an increase in the number of at risk young people into employment.

Due to the merger we are glad to announce the Annual DARE2B Youth Conference will once again be offered to our young people.
