

2015 DARE2B EXPRESSION OF INTEREST

Youth Connect along with Holmesglen Event Management Students present the 2015 Annual DARE2B Youth Conference. Once again we will bring together health, careers and recreational professionals from the community sector.

Topics include Health and Wellbeing, Social Media, Beyond School, Training and Employment and Community Engagement. This year we will focus on smaller and more varied workshops with more presenter/student interaction. Morning Tea will be included.

Schools and Service providers are invited to submit a request for a maximum of 30 students. As there is a limited amount of space we suggest you choose students who will benefit most from attending the event taking into account the target group below.

THEME

"The Conference will bring together health, careers, and recreation professionals from the community sector. Together we will explore the links between the importance of young people having a balance of a healthy mind and body which will positively contribute to a successful transition from education into further training and employment"

TARGET GROUP

Young people aged 15 to 18 years who:

- Will benefit from the information presented on the day about careers, community engagement and health & wellbeing.
- May be at risk or disengaged from education
- CALD/Koorie/Refugee background
